Unique artist book.

A sketchbook entirely handmade, covers, drawings, texts, book, by Annette Messenger.

Sewn by her, 12 pages.

Original drawings in color on white grain drawing paper.

Colored pencils, charcoal and graphite on paper.

Closed (and drawings page format): 9.2 x 17.3 cm.

Open: 9.2 x 34.2 cm.

Cover title, title page, 10 pages, 8 original drawings in colors, of which 1 double, 8 drawing-pages, signature and date (1974) in the last page, everything drawn or written by hand by Annette Messenger.

The book is entirely made by Annette Messenger and sewn by her.

The paper covering the covers itself is drawn by the artist, the front one bearing the title handwritten by A. Messenger.

Signed and dated '74 in the last page.

Excellent condition.

A very personal piece by Annette Messenger, very close to herself: the drawings are really her eyes, very realistic.

And who knows Annette Messenger knows how much her eyes are important (and superb) in her personality and so revealing of her character. A very true, intimate and personal piece.

This book, this art work, is a real pearl, a very Annette Messenger's work, of one of her best periods, in my opinion.
